Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicants bring to the attention of the Examiner the documents listed on the attached PTO Form 1449.

To the best of the undersigned's knowledge, this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced application and no fees are believed to be necessary.

Documents identified by Tabs 1 to 8 on the attached PTO-1449 are "Other Documents" provided to identify two dry sprinklers that existed prior to the invention of the applicants. Tabs 1-5 illustrate, by digital color photographs, a first sprinkler. Tabs 6-8 illustrate, by digital color photographs, a second sprinkler.

The First Sprinkler – Tabs 1 to 5:

Tab 1 is a perspective view of components of the first sprinkler. Tab 2 is a side perspective view of one of the components that has a metal sealing structure. Tab 3 is a side perspective view of the components of the first sprinkler illustrated in Tab 2. Tab 4 is a side perspective view of the components of the first sprinkler in an assembled arrangement; a portion

of the exterior being cut-away to show the configuration of the components in the assembled position. Tab 5 is a close-up view of the first sprinkler illustrated in Tab 4.

The Second Sprinkler – Tabs 6 to 8:

Tab 6 is a perspective view of the components of the second sprinkler. Tab 7 is a perspective view of the second sprinkler in an assembled arrangement; a portion of the exterior being cut-away to show the configuration of the components in the assembled position. Tab 8 is close-up perspective view of one end of the second sprinkler of Tab 7; a portion of the exterior being cut-away to show the configuration of the components in the assembled position, including a metal sealing structure.

Applicants respectfully request that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached PTO Form 1449.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material.

Applicants further reserve the right to take appropriate action to establish the patentability of the invention over the listed documents, should the documents be applied against the claims of the present application.

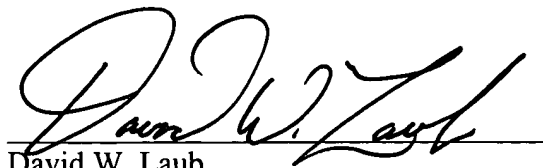

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 50-0310.

Respectfully submitted,

MORGAN, LEWIS & BOCKIUS LLP

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicants bring to the attention of the Examiner the document listed on the attached PTO Form 1449.

To the best of the undersigned's knowledge, this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced application and no fees are believed to be necessary.

Documents identified by Tabs A and B on the attached PTO Form 1449 are published U.S. Patent Applications.

Documents identified by Tabs C to Y on the attached PTO Form 1449 are U.S. Patents.

Documents identified by Tabs 1 to 10 on the attached PTO Form 1449 are "Other Documents" relating to dry sprinklers.

Applicants respectfully request that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached PTO Form 1449.

This submission does not represent that a search has been made or that no better prior art exists and does not constitute an admission that the listed document is material or constitutes "Prior Art." If it should be determined that the listed documents do not constitute "Prior Art"

under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should any of the documents be applied against the claims of the present application.

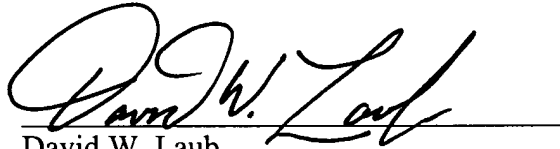

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 50-0310.

Respectfully submitted,
